CONSULTING SERVICES FOR THE UPDATING OF THE FEASIBILITY STUDY AND PREPARATION OF AN ENVIRONMENTAL IMPACT STUDY FOR THE NDC ADMINISTRATIVE AND COMMERCIAL COMPLEX PROJECT

I. INTRODUCTION

The National Development Company (NDC) is a government-owned and controlled corporation organized and existing pursuant to Presidential Decree No. 1648, as amended, with principal office at the NDC Building, 116 Tordesillas Street, Salcedo Village, Makati City. NDC was created to function as the national government's investment arm.

NDC has corporate powers to acquire and develop properties as an investment undertaking and had purchased from the Philippine Reclamation Authority (PRA), a 12,687 sq. meter property (the "Site") located along Macapagal Avenue as the site for the above stated project.

The project, located near the vicinity of the SM Mall of Asia, is within a rapidly developing area (the "Study Area") that is ideal for a government office tasked to promote trade and investment.

II. DESCRIPTION OF THE PROJECT

The NACCP Building project is envisioned to accommodate all major functional groups, bureaus, attached agencies and corporations of the Department of Trade and Industry (DTI) currently operating in different buildings within Metro Manila. The project site is the 12,687.0 square meters (SqM) or 1.27 hectares (has.) parcel of land located in Block D, Central Business Park I – Island A (CBP-1A), Pasay City. Equipped with modern facilities and Smart building design, the vision is to facilitate seamless transactions for all DTI clients, either domestic or foreign investors by having all programs and frontline services of different functional groups and bureaus under one roof.

Along with enhanced government trade transactions, the area's efficiency will eventually be boosted by facilities where trading, promotional events and other special activities can be conducted. An area will be reserved to business locators interested to conduct trade alongside showcases of Philippine products promoted by DTI while perennial trade fairs, conferences, and other functions can be accommodated in a strategically located and modern investment/trade hall.

The project is also expected to accentuate the rapid development carried out by the private investors along the adjacent areas. The building designs and the overall site development plan (SDP) reserves spaces in anticipation of continuous investment growth and economic development. Among the specific benefits of the NACCP Building are the following:

- Brand new, IT-enabled building
- More efficient and cost-effective operations
- Standardized office areas
- Rationalized common service areas (conference rooms, lobby/reception areas)
- Efficient layout
- Ample parking space
- Improved working area and facilities
- Building and Grounds Plans and Designs must be in full compliance with all applicable physical planning and building laws (P.D. No. 1096, the 1977 National Building Code of the Philippines/NBCP and its referral codes/ RCs, etc.), CAAP regulations and CBP-I(A) Locator Development Guidelines
- Universal Building Design/ sustainable building features
- State-of-the-art facilities (24/7 power/stand-by generator, CCTV and Security system, building automation system)

III. OBJECTIVES

NDC has an existing Feasibility Study and Business Plan (FS and BP) for the implementation of the One DTI Building Project (now “NDC Administrative and Commercial Complex Project”) conducted in November 2010. The implementation of the NACCP was, however, put on hold and is being revived for implementation this 2017. In view of this development, the existing FS and BP need to be updated.

The winning bidder shall be required to review all the existing studies that will be made available as basis of the project updating.

Specifically, the updating must:

- i) establish a comprehensive site development plan (SDP) of the Project Site covering environment, land use, infrastructure, space planning, best use options and other support development components;
- ii) confirm the size and scope of the NACCP that will include the review of previous reconnaissance, topographical (secondary), general space planning (oversight) and engineering surveys (secondary), soil investigation (secondary) and the general review, update, review, incorporation and adaptation of portions of the already existing preliminary architectural and engineering (structural, sanitary, electrical, mechanical, fire protection/ PA&E) plans/ designs and layouts; and
- iii) must come up with a Business Plan which determines the feasibility and implementation plan of constructing the NACCP dedicated to the DTI Offices and its attached agencies and the development of commercial areas. The DTI offices and its attached agencies as majority occupant of the building, will eventually own their leased areas.

IV. SCOPE OF WORK

A. UPDATING OF THE FEASIBILITY STUDY AND BUSINESS PLAN

The Consulting Firm/ Office shall guarantee a high degree of quality, cost-efficiency and timeliness in the execution of the Feasibility Study Update. All phases of the business plan and all other work necessary to successfully complete the schematic level i.e. conceptual architectural and engineering design (CA&ED) should be completed on time in accordance with the NDC-approved outline specifications and/or the NDC-approved minimum performance standards and specifications (MPSS). Towards this end, the Consulting Firm/ Office shall perform the following:

Phase 1: General Data Processing (including the review and updating of the General Space Planning/ Validation of Space/Architectural Programming by others) & Analysis of the Study Area

Phase 2: Update of the Development Plan (Re-formulation of the Framework Plan)

Phase 3: Conceptual Site Development Plan (CSDP), and Preparation of the attendant Conceptual Architectural and Engineering Design (CA&ED) to consist mainly of schematic level i.e. conceptual architectural plans, sections, elevations, perspectives, schematic level i.e. conceptual engineering layouts, outline specifications, and the budgetary project cost estimate (BPCE) for all works on the building grounds, specifically the lot's northern perimeter along the Libertad Channel.

Phase 4: Conduct of Feasibility Study Update to include a project development brief (PDB), the minimum performance standards and specifications (MPSS) and the Terms of Reference (ToR) for the Detailed Architectural and Engineering Design (DA&ED) of the Project.

Phase 5: Formulation of the Business Plan (by Others)

B. PREPARATION OF AN ENVIRONMENTAL IMPACT STUDY (EIS)

The preparation of the required works should be in accordance with DENR Department Order No. DAO-2003-30. The EIS should address the requirements for the issuance of an ECC from DENR-EMB for the project and the LLDA Clearance from the Laguna Lake Development Authority.

Specifically, the Consultant will prepare and submit requirements and follow-up application for the ECC; submit LC Application, which include the accomplished EIS to LLDA upon released of ECC. Attend Technical Review Committee Meeting to represent client concerning this project, as deemed necessary by EMB. Attend Technical Review Committee Meeting to represent client concerning this project, as deemed necessary by LLDA.

Foreign Consultants shall seek the participation of Filipino Consultants by entering into a JV with, or subcontracting part of the project to, Filipino Consultants.
 3. Format and Signing of Eligibility Documents
 - 3.1. Prospective bidders shall submit their eligibility documents through their duly authorized representative on or before the deadline specified in Clause 5.
 - 3.2. Prospective bidders shall prepare an original and copies of the eligibility documents. In the event of any discrepancy between the original and the copies, the original shall prevail.
 - 3.3. The Eligibility Documents Submission Form shall be signed by the duly authorized representative/s of the Bidder. Failure to do so shall be a ground for the rejection of the eligibility documents.
 - 3.4. Any interlineations, erasures, or overwriting shall be valid only if they are signed or initialed by the duly authorized representative/s of the prospective bidder.
 4. Sealing and Marking of Eligibility Documents
 - 4.1. Prospective bidders shall enclose their original eligibility documents described in Clause 2.1, in a sealed envelope marked "ORIGINAL – ELIGIBILITY DOCUMENTS". Each copy thereof shall be similarly sealed duly marking the envelopes as "COPY NO. ___ - ELIGIBILITY DOCUMENTS". These envelopes containing the original and the copies shall then be enclosed in one single envelope.
 - 4.2. The original and the number of copies of the eligibility documents as indicated in the EDS shall be typed or written in ink and shall be signed by the prospective bidder or its duly authorized representative/s.
 - 4.3. All envelopes shall:
 - (c) contain the name of the contract to be bid in capital letters;

- (d) bear the name and address of the prospective bidder in capital letters;
- (e) be addressed to the Procuring Entity's BAC specified in the EDS;
- (f) bear the specific identification of this Project indicated in the EDS; and
- (g) bear a warning "DO NOT OPEN BEFORE..." the date and time for the opening of eligibility documents, in accordance with Clause 5.

4.4 Eligibility documents that are not properly sealed and marked, as required in the bidding documents, shall not be rejected, but the bidder or its duly authorized representative shall acknowledge such condition of the documents as submitted. The BAC shall assume no responsibility for the misplacement of the contents of the improperly sealed or marked eligibility documents, or for its premature opening.

5. Deadline for Submission of Eligibility Documents

Eligibility documents must be received by the Procuring Entity's BAC at the address and on or before the date and time indicated in the Request for Expression of Interest and the EDS.

6. Late Submission of Eligibility Documents

Any eligibility documents submitted after the deadline for submission and receipt prescribed in Clause 0 shall be declared "Late" and shall not be accepted by the Procuring Entity. The BAC shall record in the minutes of submission and opening of eligibility documents, the Bidder's name, its representative and the time the eligibility documents were submitted late.

7. Modification and Withdrawal of Eligibility Documents

7.1. The prospective bidder may modify its eligibility documents after it has been submitted; provided that the modification is received by the Procuring Entity prior to the deadline specified in Clause 5. The prospective bidder shall not be allowed to retrieve its original eligibility documents, but shall be allowed to submit another set equally sealed, properly identified, linked to its original bid marked as "ELIGIBILITY MODIFICATION" and stamped "received" by the BAC. Modifications received after the applicable deadline shall not be considered and shall be returned to the prospective bidder unopened.

7.2. A prospective bidder may, through a letter of withdrawal, withdraw its eligibility documents after it has been submitted, for valid and justifiable reason; provided that the letter of withdrawal is received by the Procuring Entity prior to the deadline prescribed for submission and receipt of eligibility documents.

7.3. Eligibility documents requested to be withdrawn in accordance with this Clause shall be returned unopened to the prospective bidder concerned. A prospective bidder that withdraws its eligibility documents shall not be permitted to submit another set, directly or indirectly, for the same project. A prospective bidder that acquired the eligibility documents may also express its

intention not to participate in the bidding through a letter which should reach and be stamped by the BAC before the deadline for submission and receipt of eligibility documents.

8. Opening and Preliminary Examination of Eligibility Documents

- 8.1. The BAC will open the envelopes containing the eligibility documents in the presence of the prospective bidders' representatives who choose to attend, at the time, on the date, and at the place specified in the EDS. The prospective bidders' representatives who are present shall sign a register evidencing their attendance.

In case the submitted eligibility envelopes cannot be opened as scheduled due to justifiable reasons, the BAC shall take custody of the said envelopes and reschedule the opening on the next working day or at the soonest possible time through the issuance of a Notice of Postponement to be posted in the PhilGEPS website and the website of the Procuring Entity concerned.

- 8.2. Letters of withdrawal shall be read out and recorded during the opening of eligibility documents and the envelope containing the corresponding withdrawn eligibility documents shall be returned unopened to the withdrawing prospective bidder.

- 8.3. The eligibility documents envelopes and modifications, if any, shall be opened one at a time, and the following read out and recorded:

- (h) the name of the prospective bidder;
- (i) whether there is a modification or substitution; and
- (j) the presence or absence of each document comprising the eligibility documents vis-à-vis a checklist of the required documents.

- 8.4. The eligibility of each prospective bidder shall be determined by examining each bidder's eligibility requirements or statements against a checklist of requirements, using non-discretionary "pass/fail" criterion, as stated in the Request for Expression of Interest, and shall be determined as either "eligible" or "ineligible." If a prospective bidder submits the specific eligibility document required, he shall be rated "passed" for that particular requirement. In this regard, failure to submit a requirement, or an incomplete or patently insufficient submission, shall be considered "failed" for the particular eligibility requirement concerned. If a prospective bidder is rated "passed" for all the eligibility requirements, he shall be considered eligible to participate in the bidding, and the BAC shall mark the set of eligibility documents of the prospective bidder concerned as "eligible." If a prospective bidder is rated "failed" in any of the eligibility requirements, he shall be considered ineligible to participate in the bidding, and the BAC shall mark the set of eligibility documents of the prospective bidder concerned as "ineligible." In either case, the BAC chairperson or his duly designated authority shall countersign the markings.

9. Short Listing of Consultants

- 9.1. Only prospective bidders whose submitted contracts are similar in nature and complexity to the contract to be bid as provided in the EDS shall be considered for short listing.
- 9.2. The BAC shall draw up the short list of prospective bidders from those declared eligible using the detailed set of criteria and rating system to be used specified in the EDS.
- 9.3. Short listed consultants shall be invited to participate in the bidding for this project through a Notice of Eligibility and Short Listing issued by the BAC.

10. Protest Mechanism

Decision of the Procuring Entity at any stage of the procurement process may be questioned in accordance with Section 55 of the IRR of RA 9184.
