

**ANTONIOLO DC. MAURICIO**  
**General Manager**  
**National Development Company**

---

Appointed in October 2022, GM Mauricio has over thirty-two (32) years of experience in investment, finance, and strategy.

He was the country head for two global finance companies: the Chartered Institute for Securities & Investment (CISI) and Thomson Ratings Philippines (now Fitch Ratings). He was the director for business development with Mitchell Madison Group Global Management Consulting. Prior to this he was with Urban Bank, Jardine Land, and ICC Telecoms.

As a banker, management consultant, and financial adviser, he covered a broad range of sectors including the capital markets, credit ratings, investment banking & stock brokerage, agriculture, engineering, ICT, property, and telecommunications. He is a Board Member of the Rotary Club of Manila, where he is the Director for Innovation & Sustainability. He is a co-founder of the Global AI Council – Philippines, and the President of AIESEC Alumni Philippines. He was a long-time Director in both the Financial Executives Institute of the Philippines and the Israel Chamber of Commerce of the Philippines.

He founded both the Finance Educators Association and the Junior Confederation of Finance Associations - Philippines, respectively the largest organizations of finance teachers and students in the country, and served as a lecturer on finance, accounting, human resources, business policy, and strategic management at the De La Salle University – Dasmaringas and Asia Pacific College.

He completed the Executive Program in Digital Leadership at the Singapore Management University and obtained his BS Business Administration degree from the University of the Philippines in Diliman, Quezon City. He finished his elementary and high school education at the Ateneo de Manila.

Under his leadership, NDC is undergoing streamlining and capacity-building, and has more than doubled the company's projects, including the revitalized Startup Venture Fund, the Philippine E-Commerce Platform, the first vaccine manufacturing plant in the country, and the establishment of the Philippine Innovation Hub, home of the Philippine AI Resource Initiative.

He has led NDC's maintenance of its ISO-certification by TUV-SUD on its 5 quality management systems: Equity Investment, Project Financing, Asset Management, Fund Management, and Support Services.

He initiated an audit process so that NDC may become the first Philippine government agency to be globally-certified in Innovation Management.

GM Anton institutionalized the criteria for NDC investments. They have to be Pioneering, Developmental, Sustainable, Inclusive, and Innovative. This will enable NDC to become a major contributor to the country's development, befitting its status as the oldest government company and the state investment arm.
